UNICollaboration

Announcing our 2022 iterations of virtual exchange trainings

Introduction to Virtual Exchange

Monday February 21st – Sunday 20th March

and

Monday June 6th – Sunday 26th June

and

Monday 3rd October – Sunday 23rd October

Virtual Exchange Project Design

Monday 4th April – Sunday 8th May

and

Monday 7th November – Sunday Dec 4th

All trainings include online asynchronous interaction + weekly video meetings

Dear Colleagues,

UNICollaboration Training Team are happy to announce the upcoming 'open to all' training offer: **Introduction to Virtual Exchange** - for those who are curious to find out more and dip their toe into the world of virtual exchange - and **Project Design** - aimed at those in Higher Education who want to design and implement a successful VE project.

Teachers, technical, and international relations staff are all encouraged to take part.

Two expert trainers with many years of VE experience will accompany you in both asynchronous (fora, materials to read and watch, and weekly tasks) and synchronous (weekly meetings via Zoom) activities on your journey to VE success.

We encourage you to share this information with any interested colleagues.

INTRODUCTION TO VIRTUAL EXCHANGE

Duration: 4 weeks

Workload: 4-6 hours per week (synchronous +
asynchronous activities)
Cost: €250 per person (subject to confirmation)
Target Audience: Higher Education teaching,
technical and administrative staff

VIRTUAL EXCHANGE PROJECT DESIGN

Duration: 5 weeks

Workload: 4-6 hours per week (synchronous +
asynchronous activities)
Cost: €300 per person (subject to confirmation)
Target Audience: Higher Education teaching,
technical and administrative staff

*Please note that even if you do not have a clear idea in mind or a partner
yet, you are still welcome to participate!*

Should you need further information, feel free to email us at: training@unicollaboration.org

Join our community of VE practitioners & integrate VE into your academic courses!
